Romance at the Ready: The Elizabeth Hotel Announces New Packages to Deliver Unforgettable Proposals

Fort Collins Hotel Offers Memorable Engagement Experiences with Colorado Flair

FORT COLLINS, COLO. – Nov. 26, 2018 – Popping the question is no easy feat. It’s a moment couples will always remember, so ensuring every second is perfect is essential. With engagement season right around the corner, Fort Collins’ only four-star hotel, [The Elizabeth Hotel](#), is taking memorable proposals to the next level with new engagement packages weaving in the magic of music and other details, sure to make the occasion absolutely unforgettable.

As soon as couples walk through the hotel doors, they’ll be immersed in a world filled with art and music, where the Elizabeth’s team is waiting to help coordinate the perfect note-worthy moment. The hardest thing left to do is get down on one knee.

The *Amp’d Up Proposal* package plays off of hotel’s art and musical elements and Fort Collins’ music-centric culture for an incredible, never before offered engagement experience. The Music Suite, one of three on-site signature suites, provides the perfect backdrop; a classic baby grand piano takes center stage while high-end finishes and features inspired by piano keys and other musical instruments give an air of elegance to the space. The private outdoor patio provides spectacular views year-round of Old Town Fort Collins.

Included in the package is a professional photographer on-hand for photos of the proposal, as well as post-proposal photos on the breathtaking grand staircase in the lobby of The Elizabeth. A private champagne toast with a one-of-a-kind saber presentation from a local sommelier kicks off the celebration while live piano music performed in-room sets the mood. Appetizers and champagne are delivered to the suite to enjoy, along with breakfast the following morning.

One unique feature in every room and suite in The Elizabeth is a full size Crosley record player complete with a curated selection of albums. The couple can discover the perfect soundtrack to their stay with hand-picked records featuring classic love songs available for the in-room record player while they unplug, unwind and enjoy each other’s company.

“An engagement should be as special and unique as the couple,” says Barbara Piagari, director of sales and marketing at The Elizabeth. “These engagement packages bring a Fort Collins’ flair to their celebration and helps to alleviate the stress of planning an amazing moment that the couple will never forget.”

The *Hearts in Harmony Proposal* package is also available to those looking to pop the question, and is customized for the season with unique offerings for fall/winter and spring/summer. The package features a flawless proposal occasion with live music, professional photography post-engagement, complimentary cocktails and an added seasonal flair (horse and carriage rides or a private toast on the terrace) depending on availability.

A perfect romantic getaway, The Elizabeth pays incredible attention to detail, from architecture to décor. Art and music play an integral role in the design and experience; 130 original art pieces, most by Colorado artists, celebrate Fort Collins' adventurous spirit around central themes of music and nature. Music lovers of all kind can take advantage of the hotel's lending library, which offers a variety of musical instruments available for check out.
